

Rally for a plastic free world

As many as 174 scouts and guides along with the students of class X, Scout master and guide captain of Maharaja Agrasen Vidyalaya came together for a rally to spread awareness for reducing, reusing and recycling plastic.

It was an endeavour to spread awareness. Students and their mentors prepared eye catching posters and slo-

gans which drew the attention of commoners towards the motive. Cloth bags and paper bags were distributed to vegetable vendors and grocery stores adjoining the Gurukul road around Subhash Chowk area to spread awareness regarding harmful effects of plastic and discourage its use.

Cleanliness drive was also carried out. Garbage in

the form of chocolate and biscuit wrappers, and other waste material was collected and arrangement to dump it properly was made.

The rally was a successful activity as it made people think and realise the cause. Same vegetable vendors and store keepers promised to change their packaging style by adopting: "No plastic or at least less plastic."
