

# Mavians do their bid for swachchta campaign

“Swachh Bharat” is a cleanliness campaign started by Prime Minister Narendra Modi on 2nd October, 2015 as a tribute to our father of Nation, Mahatma Gandhi. MAVians, of class X-A have also joined the initiative under SEWA (Social Empowerment Through Work Education and Action) programme. A society named Mathura Nagri, in Thaltej, Ahmedabad was identified wherein the residents were suffering from sanitation and garbage disposal problems in their surroundings.

So, with the objective of creating awareness among the residents of that society, students collaborated with

Samvedna Trust, Anant fellows of Anant National University and AMC (Ahmedabad Municipal Corporation) to carry out a cleanliness drive “Team up, Clean up”. Students performed a street play or “Nukkad Natak” to create awareness among them regarding cleanliness and hy-

giene. One of the students Shlok Singaporewala also presented a wonderful speech on the importance of health and hygiene. Students actively and enthusiastically participated in the event followed by cleanliness and plantation drives in their localities. This was done to inculcate some awareness among the common folk. Students helped in cleaning work of that area, keeping in mind that “Action speaks louder than words”. At this glorious moment, our respected MLA, Bhupendrasinh Chudasma promised to resolve the problem of waste disposal as well as choked gutter lines. The event ended with plantation of saplings by community kids.
