

MAV stands out in various events

Students of MAV participated in various events organized by different schools recently. The month began with "SRIJAN" an annual event organized by DPS, Bopal. Srijan-2018, saw the participation of about 900 students from various schools from in and around Ahmedabad. In the event called Techno-warriors, a team of Krushnaraj Pandya (XII A) and Mohak Pathak (XII B) from MAV, won second position by developing a wonderful game. Another event, that saw MAV students catching lime-light was- Vigyanam- A Science paper presentation. A team of Naina Sharma (IX B) and Aanshi Sharma (XI - A) secured second position.

Zyduz School for Excellence, Godhavi, organized a "Declamation" contest, in which about 21 schools participated with around 84 participants in two groups- senior group A (X-XII) and Junior Group B (VII-IX). Students from MAV won in both the groups. Siddhi Bhandari who presented the speech of Malala Yusufzai in Group B, won 1st position. While, in Group A, Prince Thakkar, who presented himself as

Hitler, also won the 3rd position.

DCIS, Adalaj, organized Divine Fest - 2018, an annual event. As many as 29 schools, comprising of 870 students participated in the fest. Among a set of 8 events, MAV bagged 4 prizes in 3 events. Helly Govani (VIII B) won 3rd Prize, as interjector in Group A (VIII & IX), Manas Mishra (IX A) won 3rd prize in Monologue competition in group A (IX & X). In Poem illustration through drawing & painting, Kavya Shah (V A), won 1st prize in group A (III - V). Tirth Shah (VIII C) also won 3rd Prize, in the same

event.

Zyduz School for Excellence, Vetalpur organized Zyzeal-Zyfest - 2018. As many as 36 schools from all over Gujarat comprising of about 1000 students participated in the fest. MAV students bagged 4 prizes. Manisha Agarwal (XI B) won 1st prize in Rangoli Competition, a team of Bhagwati Agarwal (X C) and Suniti Agarwal (XII C) from MAV, won 2nd prize in Non fire cooking competition. Parva Patel, Aditya Sinha and Ridham Patel from X - C, received 3rd prize in the Science Model Making com-

petition. Shrey Patel (XII A) and Amul Agrawal (XII B), secured 3rd prize in Computer Programming competition.

Eventually, it would be most appropriate to state that the whole month of August was enormously eventful and full of frenzy for fight in various events and also concluded successfully with winners in various events.
