

MAV shines at CBSE cluster games

CBSE West Zone Volleyball Cluster XIII, 2019 was held in Surat and was hosted by Shri Ramkrishna Harikrishna Academy. As many as 26 schools participated in the event. Maharaja Agrasen Vidyalaya secured 3rd position in the competition. It was an extremely special achievement for the school as history was repeated after 13 years.

School was delighted as team had practiced only one week before the tournament. The team couldn't practice on the net the whole September, as the ground was wet due to

rains. The team got "bye" in the 1st match and directly played the 2nd match against Atmiya Vidya Mandir. Defeating them, MAV team moved to the quarter finals. Quarter finals was against Swami Narayan Academy. We won the match and further moved to the Semi Finals.

Semi Finals was against Vallabh Ashram. We lost the match and ended up securing 3rd position. It was a great experience for the team as well as the coach. Team was supported and guided by all our Physical Education Teachers – Desai Sir, Dodia Sir and Vijay Sir.
